MEMO ENDORSED

**Re: *Alpha Capital Anstalt v. Oxysure Systems, Inc. et al.* 1:15-cv-05443-VM
Unopposed Extension of Time**

Dear Judge Gorenstein,

Defendant Oxysure Systems, Inc. respectfully files this letter notice to inform the court that the parties have agreed to allow Oxysure until January 7, 2016 to file its Reply in Support of its Motion for Protective Order, and to allow Oxysure until January 11, 2016 to answer outstanding interrogatories served on Oxysure. Undersigned holiday schedule has made timing an issue and we humbly ask this Court to agree to these two unopposed extensions.

Sincerely,

Mazin A. Sbaiti, Esq.

Counsel for Oxysure Systems, Inc.
